Design & Performance

Available in both manual and electric options, the Magnum range of creasers are great for creating creases in all kinds of paper and card.

Able to cope with stock up to 460mm, and with a creasing length of over 600mm, these creasers can handle SRA3 and SRA2 size paper.

The creasers are heavy duty and built to withstand the rigours of everyday use.

Features

- All metal construction
- Interchangeable die system
- SRA3 or SRA2 sizes
- Electric models come with die for scoring and perforating
- Electric footpedal operation (Electric models only)
